### FIRST SESSION TO-MORROW

[Special to The Times-Dispatch.] LYNCHBURG, VA., May 14.—All arrangements are made for the opening of the meeting of the representatives of the Woman's Clubs of the State, which is to be held here to-morrow evening, Thursday and Friday for the purpose of organizing a State Federation of Woman's Clubs.

The business sessions of the women will be held in the auditorium of the Y. M. C. A., and there is no doubt but that a State Federation will be the result of the meeting, which has been called by the Woman's Club of this city.

Among club workers of national repute from outside of the State, who are expected to be present during the three days will be Mrs. Sarah S. Platt Decker, of Denver, Colo., president of the General Federation of Woman's Clubs, and Miss Louise B. Poppenheim, of Charleston, S. C., a former officer of the national federation.

The following is the program for the three days of the convention: Wednesday Evening, 8 to 11 o'clock—reception by the Lynchburg Woman's Club to the distinguished guests and delegates at the residence of Mrs. W. S. Carroll, 1820 Court Street.

### WILL HAVE PRIMARY.

Buckingham Committee Decides on This Plan.

[Special to The Times-Dispatch.] BUCKINGHAM, VA., May 14.—The Democratic County Committee met here on the 13th instant, with thirteen members present, and decided upon a primary as the plan for nominating county and district officers, and Mr. W. C. Chappel, chairman of the county committee, was directed to confer with the chairmen of the counties composing the senatorial and legislative districts and fix the day for holding the primary. Up to this time the incumbents of the county offices have no opposition. Mr. J. B. Gilliam, who is in very feeble health, will not stand for the nomination for county treasurer, but his office deputy, Mr. W. C. Chappel, who probably he nominated without opposition, J. H. Fitzgerald, W. M. Moore, R. H. Hughes, J. H. Moore, W. R. Moore and J. W. Heblitt are the candidates for the details and expenses of the primary. If the chairman of the four counties composing the senatorial district, the chairmen of the district, composed of Cumberland and Buckingham (the legislative district), should decide to hold conventions, it is probable that the primary to nominate county officers would not be held unless unexpected opposition to the county officers should develop later on.

Judge Mees and Judge Hall, the opposing candidates for the nomination for the House are actively at work, and so far as the vote in Buckingham is concerned they are quite evenly matched. The hour question will be brought into this fight, and candidates will have to declare the position they occupy as regards the question. Captain White, the aspirant for the Senate from Fluvanna county, was here when the county committee met, but he has no candidate in the field who aspires for the Senate.

### SUPERVISORS MEET.

Bills for Caring for Smallpox Cases in South Hill Approved.

[Special to The Times-Dispatch.] BOYDTON, VA., May 14.—The supervisors of Mecklenburg met here yesterday and allowed a large batch of claims. Among them were the bills for doctors, nurses, guards and other incidental expenses in attending the smallpox cases last year occurring in the town of South Hill. Their liability for which was decided by Judge Barksdale at the last term of the Circuit Court, after a stubborn fight between the supervisors and officials through their respective counsel. The whole cost aggregated about \$800.

An order was unanimously made that each member of the board shall recommend a suitable person from his district as a local officer, whose duty it shall be

to co-operate with the national Agricultural Department for the purpose of eradicating the Texas tick.

The county treasurer reported the sum of \$1,274.72 as the revenue arising from the dog tax for the year 1906.

A warrant was issued immediately for Schrader's arrest, but he could not be found by the police until a day or two ago. This morning, it was stated, Schrader claimed Hogan altered Mrs. Carroll's order, but Hogan says he knows nothing about the crime.

Selling direct to the wearer and eliminating entirely the agent or the middleman carries its own convincing arguments of economy and inimitability that cannot be counterfeited. ## HAVE COMMITTEE ON BATTLEFIELD PARK

Petersburg Council Decides on Course Which Will Conform to Charter's Requirements.

CANNOT BE USED FOR BATTLE

City's Money Can, However, Be Employed in Purchase of Property for Proposed Park.

[Special to The Times-Dispatch.] PETERSBURG, VA., May 14.—The Common Council at a called meeting this evening received and adopted a report from the Finance Committee recommending that the proposed five thousand dollar appropriation to aid the establishment of a national battlefield park on the Civil War battlefields around Petersburg be not made. The adverse report, based on the City Attorney's opinion, that the city's charter does not authorize such an expenditure for the purpose of securing the aid and co-operation of the State and Federal governments in establishing a park which would not be the property of the city. As a legal means of aiding the establishment of such a park, the report suggests that the Council pass an ordinance creating a standing battlefield park committee, consisting of two Councilmen and one Alderman, who should ascertain what lands may be acquired for the purpose and the amount of money necessary to their purchase by the city, and shall report thereon to the Council. The proposed ordinance was unanimously passed.

How It Could Be Appropriated.

City Attorney George Mason addressed the Council, explaining in full the reasons for his opinion that the proposed appropriation could not be legally made, and emphasizing the fact that while the money could not be appropriated to any use having as its ulterior purpose the establishment of the park, it could be legally appropriated for the direct acquisition of such property by the city. The appropriation was to have been contributed to the reproduction of the battle of the Crater, July 30th. When the plan was presented to the Council it was referred to a committee of five, including an Alderman and Councilman, by appointed to consider it, and suggest some means of securing the appropriation within charter limitations. This committee, four of whom are lawyers, reported adversely on the appropriation, and suggested that the committee, were of the opinion that the appropriation could be legally made, and Mr. Lassiter spoke before the Council to that effect this evening. He stated that the subject were plainly in favor of giving the money if it could be legally done, but the plan was simply blocked by legal technicalities.

Young Man in Trouble.

A. R. Beck, a young man about twenty-one years old, employed as delivery clerk at the freight depot of the Atlantic Coast Line Railroad in this city, was arrested yesterday on a charge of felony, and this case was certified to the Hustings Court for trial.

The accused was arrested yesterday at the residence of his mother, Mrs. Beck, on a warrant sworn out by the Chief of Police Ragland, charging the larceny of eighty-one pair of pants, valued at \$185, the property of the Atlantic Coast Line Company.

NOT TO PROSECUTE.

Case of Pulaski Banker's Son Thrown Out of Court.

[Special to The Times-Dispatch.] PULASKI, VA., May 14.—The case of Ernest Miller, the young son of a banker at Pulaski, Va., who shot and killed Luther Keever, at Erwin, Union county, Tenn., last winter, was called in the court at Erwin to-day, but the indictment was ignored, and the case thrown out of court. It appeared to have been a clear case of self-defense.

SAILORS GOT TIRED.

Three of the Nation's Protectors Arrested in Suffolk.

[Special to The Times-Dispatch.] SUFFOLK, VA., May 14.—Three sailors from the battleship Connecticut, which was in the Hampton Roads, were arrested here for desertion, and to-day were returned to the ship by Police Officers Taylor and Jernigan, who received a reward of \$30. The men were William J. Jackson, L. L. Hubbard and P. C. Brownley.

Though they had some money, the marines came to Suffolk on a freight arriving at 3 A. M. They said they were tired of the service and were on their way West.

[Special to The Times-Dispatch.] CHARLOTTE, VA., May 14.—Rev. and Mrs. R. E. L. Ayler will leave to-morrow for Richmond to attend the Southern Baptist Convention, at the conclusion of which they will visit the Jamestown Exposition.

## BIG CONVENTIONS OPEN IN NORFOLK

Odd-Fellows, Woodmen of the World and Other Orders Begin Annual Meetings.

### GIVEN ROYAL WELCOME

Mayor Gives Keys of City to Odd-Fellows and Grand Master Chase Responds.

[Special to The Times-Dispatch.] NORFOLK, VA., May 14.—Norfolk to-day bloomed forth as a convention city, no less than five conventions having been called to order almost simultaneously. From now until the close of the exposition, on November 30th, conventions will be the order of the day here, and the grounds of the Jamestown Exposition.

The Virginia Grand Lodge, Independent Order of Odd-Fellows, with six hundred members present, was called to order in Armory Hall by Major C. L. Wright, of Norfolk. Mayor James G. Riddick made an address of welcome to the Odd-Fellows, and handed over the keys of the city to them. In his speech he dwelt at length on the work of the order of Odd-Fellows. He spoke of the fact that they were all Virginians, united in a common brotherhood, and urged that every visitor should consider himself among personal friends.

Attorney H. G. Avery, of this city, addressed the Odd-Fellows, in a dilated manner in the work done by the Odd-Fellows since the inception of the order. He also referred to the fact that W. W. Dolson, a marine, who was murdered in an East Main Street boarding-house more than a year ago, was a member of the order, and also to the fact that his alleged slayer is now in jail in this city.

Grand Master Responds.

Grand Master Roland E. Chase responded to the speeches of welcome. Thanking the Mayor and the city for their generous reception, he spoke for some time on the fraternalities of the city, the exposition and Tidewater Virginia. Then he entered into a short history of the lodge since it was founded eighty years ago, and spoke feelingly of the many good and great works it had accomplished, referring to the unanimous manner in which the Odd-Fellows had responded to the calls for aid from suffering San Francisco. His speech was a beautiful one, and the proverbial pin could have been heard to fall during its delivery.

After the welcoming addresses and response the convention went into executive session until 1 o'clock in the afternoon, when they adjourned for lunch. They met again at 3 o'clock this afternoon, when more business of a routine nature was taken up. To-morrow the convention will also be in session all day and through the evening, a reception by the Grand Lodge Rebecca Assembly and Orphans being one of the features of the day. The assembly of the Odd-Fellows will convene in Convention Hall, in the Exposition Grounds, and the following day at the Jamestown Exposition.

## WOODMEN MEET FOR LONG SESSION

Every State in Union Represented by Delegates to This Body.

[Special to The Times-Dispatch.] NORFOLK, VA., May 14.—The biennial convention of Sovereign Camp, Woodmen of the World, convened to-day with delegates present representing every State in the Union, from the Atlantic Seaboard to the Rocky Mountains, and from the Canadian border to Texas and the Southwest. The sovereign body will be in session for ten to fourteen days, and in conjunction with the Sovereign Camp, its woman's auxiliary, the Woodmen's Circle, will be in biennial session here for the same period, the auxiliary convening having convened simultaneously to-day with the Woodmen. The two conventions have brought to Norfolk between 300 and 400 people.

The two bodies are meeting in Odd-Fellows' Hall, on Church Street, their business session being conducted in separate rooms. The opening ceremonies, which were public, were conducted in the main hall, O. O. F. Auditorium, with all visiting delegates to the two conventions and a large number of local Woodmen and lady members of the Woodmen's Circle, of Norfolk, Portsmouth and Berkley, in attendance. The exercises opened shortly after 4 A. M. with W. H. Faltless, past head counselor of Jurisdiction L, as master of ceremonies. Invocation, offered by Rev. Dr. W. M. Vines, pastor of Freeman Street Baptist Church, was followed by welcoming addresses by Colonel George C. Cabell, on behalf of the business men of Norfolk and vicinity, and Mayor James G. Riddick, in behalf of the city.

Both addresses were filled with hearty welcome to the delegates and were delivered in forceful yet happy style. The words of welcome from both the Mayor and Colonel Cabell were greeted with extended applause by the delegates generally.

The responses to the addresses of welcome were made by Sovereign Banker Morris Shepperd, of Omaha, Neb., and Sovereign Commander J. C. Root, also of Omaha. Mr. Shepperd, who formerly served in Congress from Texas, is one of the most popular members of the national body and his introduction, like that of Sovereign Commander Root, the founder of the order, was greeted with prolonged applause. Mr. Shepperd made a fine speech. The opening exercises concluded with a formal welcome to Virginia on behalf of the Woodmen of the World of this State by S. B. Lathan, of Norfolk, State manager for Virginia.
